## **Community Items**

### **Donald Lynch**

Mr. Lynch requested the trustees to protect his video equipment. He stated as people were leaving the last meeting, he thought they were purposely trying to damage his camera. He again brought up his request to meet with the zoning department the week prior to the board meeting. Kirk told him he could not have bi-weekly meetings with the zoning. Mr. Lynch disputed that decision. He wants to see the building permit for a planned dwelling on Foster Maineville Road. He also wants to see a permit for every sign along Montgomery Road (US 22-3). He stated that if he was not permitted to see each of these permits, it would be discrimination against him. He wrote up a complaint against the Kranzmayr property citing the equipment on residential property.

Ron Stratton presented another American flag to the fire department to hang in front of the new station when it is complete.

### **Roads/Fire Department**

Fred LaFollette talked about blacktopping when the culvert was put in on Bennett Road. He said there are quite a few foundations to be done in the cemetery.
